

CONFLICTS OF INTEREST POLICY

Issue Date: June 2010

Policy Applies to: Interested Persons (HBOIF Board Members)

Subject: CONFLICT OF INTEREST

PURPOSE

The purpose of the conflicts of interest policy is to protect the Foundation's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an interested person of the Foundation. This policy is intended to supplement but not replace any applicable state laws governing conflicts of interest applicable to nonprofit and charitable corporations.

POLICY

I. DEFINITION OF TERMS

Interested Person

Any director, principal officer, member of a committee with broad delegated powers, or administrator, who has a direct or indirect financial interest, as defined below, is an interested person. If a person is an interested person with respect to any entity related to the Foundation, he or she is an interested person with respect to the Foundation.

Financial Interest

A person has a financial interest if the person has, directly or indirectly, through business, investment or family:

An ownership or investment interest in any entity with which the Foundation has a transaction or arrangement;

A compensation arrangement with the Foundation or with any entity or individual with which the Foundation has a transaction or arrangement; or

A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Foundation is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are substantial in nature. A financial interest is not necessarily a conflict of interest. As provided below, a person who has a financial interest may have a conflict of interest only if the appropriate body for this purpose determines that a conflict of interest exists.

II. DUTY TO DISCLOSE

In connection with any actual or possible conflicts of interest, an interested person must disclose the existence of his or her financial interest and all related material facts on a disclosure statement that must be updated annually. Any conflicts must be presented to the directors and members of committees with board delegated powers to consider the proposed transaction or arrangement.

III. DETERMINING WHETHER A CONFLICT OF INTEREST EXISTS

After disclosure of the financial interest and all related material facts, and after any discussion with the interested person, the interested person shall leave the board or committee meeting while the determination of such conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

IV. PROCEDURES FOR ADDRESSING THE CONFLICT OF INTEREST

An interested person may make a presentation at the board or committee meeting, but after such presentation, he or she shall leave the meeting during the discussion of, and vote on, the transaction or arrangement that results in the conflict of interest.

The chairperson of the board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.

After exercising due diligence, the board or committee shall determine whether the Foundation can obtain a more advantageous transaction or arrangement with reasonable efforts from a person or entity that would not give rise to a conflict of interest.

If a more advantageous transaction or arrangement is not reasonably attainable under circumstances that would not give rise to a conflict of interest, the board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Foundation's best interest and for its own benefit and whether the transaction is fair and reasonable to the Foundation and shall make its decision as to whether to enter into the transaction or arrangement in conformity with such determination.

V. VIOLATIONS OF THE CONFLICT OF INTEREST POLICY

If the board or committee has reasonable cause to believe that a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.

If, after hearing the response of the member and making such further investigation as may be warranted in the circumstances, the board or committee determines that the member has in fact failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

VI. RECORDS OF PROCEEDINGS

The minutes of the board and all committees with board-delegated powers shall contain:

The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the board or committee's decision as to whether a conflict of interest in fact existed, and

The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection therewith.

VII. COMPENSATION MATTERS

A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Foundation for services is precluded from voting on matters pertaining to that member's compensation. A person related to such member is also precluded from voting on that member's compensation.

VIII. ANNUAL STATEMENTS

Each director, principal officer and member of a committee with board delegated powers shall annually sign a statement which affirms that such person:

1. has received a copy of the conflicts of interest policy,
2. has read and understands the policy,
3. has agreed to comply with the policy, and
4. understands that the Foundation is a charitable organization and that in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

IX. PERIODIC REVIEWS

To ensure that the Foundation operates in a manner consistent with its charitable purposes and that it does not engage in activities that could jeopardize its status as an organization exempt from federal income tax, periodic reviews shall be conducted. The periodic reviews shall, at a minimum include the following subjects:

Whether compensation arrangements and benefits are reasonable and are the result of arm's-length bargaining; and

Whether partnership and joint venture arrangements conform to written policies, are properly recorded, reflect reasonable payments for goods and services, further the Foundation's charitable purposes and do not result in inurement or impermissible private benefit.

X. USE OF OUTSIDE EXPERTS

In conducting the periodic reviews provided for the above, the Foundation may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the board of its responsibility for ensuring that periodic reviews are conducted.

XI. DE MINIMIS

Due to the environment where the investment portfolio for the Foundation is so vast, nothing in this policy shall be deemed to require an owner of less than one percent (1%) of the common stock of a publicly traded corporation during the preceding five (5) years to make disclosure if such corporation is involved in a transaction with the Foundation.
