NOTE: FY13-FY15
 Fixed amounts were paid to FAU for Year 1 and 2. By the end of Year 3 (FY15) documentation was provided that showed total amount spent of \$521,999.80 from the main incentive grant and \$85,631 from additional incentive funds for a total of \$607,630.80.

NOTE: Appearance of Duplicated Awards
 Budgets are not loaded in total. A small portion of the awarded budget may be loaded so that a PI can begin work on the project. The remainder of the budget is loaded at a later date. There may be several awards listed for the same grant because the awards are paid on each portion of the budget as it is loaded.

NOTE: Available Additional Incentive Funds
 On May 23, 2018, \$200,000 of the \$314,369 additional incentive funds were repurposed for use as a Bridge Funds Pool.
